Functional Exercise

The world we live in can be a scary place

- Natural Disasters
- Technological Disasters
- Terrorism
- Mass Shootings
- Everyday Emergencies

- ✓ Are you prepared?
- ✓ Do you have a plan?
- ✓ Does your plan fit your needs?
- ✓ Does your plan provide an effective response?
- ✓ Does your plan help get you through the recovery process?
- ✓ Has your plan been tested?

Disaster Demons Emergency Management Group is a small, employee owned company established in 2004.

We will work with you to make sure that when the unthinkable happens you have the right plans, training and experience to respond, mitigate and recover as quickly, and efficiently as possible.

Tabletop Exercise

Full-Scale Exercise

### Your plans should be regularly

- ✓ Reviewed
- ✓ Revised
- ✓ Tested

To ensure your plans will be there when you need them.

It can be a tabletop with key decision makers, a functional with a specialized group or a full scale with all the boots on the ground.

We have the knowledge and experience to go from the initial planning conference to the after action review with attention to all of the details in between.

Every exercise is individually configured to meet all of your specific exercise objectives.

Feel free to contact us if you have any questions about our services or if you want to inquire about our rates.
